Disclaimer: CFD/ Spot Forex trading is a leveraged product and carries a high degree of risk. You should not engage in CFD or spot forex trading unless you understand the nature of CFD and/or spot forex trading, how they work, how you make a profit or a loss and the extent of your exposure to risk and loss. Note that your losses can be unlimited and no deposit or other amount you have paid (such as Initial Margin (we also call this Margin) or Variation Margin) will limit your losses. You should be satisfied that CFD and spot forex trading is suitable for you in the light of your circumstances and financial position. You may lose all your invested capital and initial investment. Only speculate what you can afford to lose. This e-mail message including any of its attachments is intended solely for the addressee(s) and may contain privileged information. If you are not the addressee or you have received this email message in error, please notify the sender who will remove your details from its database. You are not authorized to read, copy, disseminate, distribute or use this e-mail message or any attachment to it in any manner and must delete the email and destroy any hard copies of it. This e-mail message does not contain financial instructions or commitments of any kind.
